EXPERIENCE

January 2021 - Present
Self Employed | Los Angeles, CA
Shopify Developer

- Demonstrated proficiency in Shopify theme development, customization, and seamless app integrations, contributing to enhanced user engagement and increased conversion rates.
- Strategically improved Shopify theme performance by refining assets, optimizing images, and enhancing scripts. Achieved substantial enhancements in page loading speed, resulting in improved user experience and SEO.
- Applied HTML and CSS skills to craft responsive and user-friendly interfaces, ensuring an optimized online shopping experience for customers.
- Created dynamic and interactive elements within Shopify themes, showcasing a comprehensive understanding of JavaScript.
- Utilized Git and GitHub for efficient code management.
- Successfully leveraged Shopify's Theme Kit/CLI to streamline development processes, ensuring the creation of a cohesive and well-integrated Shopify theme.
- Proficient in guaranteeing consistent functionality across various web browsers, ensuring a seamless user experience for all.
